Objective	Actions	Funding allocated	Evidence and impact	Sustainability and suggested next steps
<p>To improve the quality of teaching and learning in PE throughout the school via training from professional coaches.</p>	<p>Teaching staff to work alongside coaches during PE lessons to improve subject knowledge and confidence in the delivery of PE.</p> <p>Staff worked with PE Partners, using their resources including P.E. planning website</p> <p>Monitoring of impact of teachers working alongside coaches</p>	<p>£8369</p>	<p>All staff in KS1 and KS2 have undertaken training by working alongside coaching staff. Teachers reported an increase in confidence to provide an improved quality of teaching for all pupils.</p> <p>There has been an improvement in the quality of PE lessons delivered to consistently good or better and children’s achievement in these lessons has improved.</p> <p>Quote from child:                      “I love Wednesdays because the PE Coaches are in, both of the coaches are really friendly and good fun. I’ve learnt to dribble a football and can catch with 2 hands now”</p> <p>Quote from Teacher:                      “As a teacher I can see how much the children in my class benefit from the specialist teaching the PE coaches are able to offer. They run thoroughly well planned lessons catering for children of all abilities.</p>	<p>For 2017/18 a decision has been made to use the funding to purchase a new scheme of work in PE and to focus more on whole staff training and support in relation to this as this will have a far more sustainable impact on the quality of teaching and learning in school.</p> <p>Expected impact - improvement in quality of all PE lessons delivered to consistently good or better and children’s achievement in PE is at least in line with national expectations including swimming outcomes</p> <p>Establish monitoring and assessment programme to track this</p>

			<p>The coaches always aim to teach and develop the children's' skills. They install a sense of competitiveness and team spirit into the games that the children play."</p> <p>Weekly PE awards – class and pupil of the week – engaged children and celebrated success in PE</p> <p>3 Holiday camps run during half term holidays which target groups of children</p>	
To provide opportunities through PE lessons for children to experience a range of activities and sports	<p>Using the coaches to deliver a broad and balanced curriculum which focuses on all areas of activity rather than being too games focused</p> <p>Teachers to assist, observe, learn skills and continue to deliver high quality teaching of all areas of activity afterwards.</p>	Cost included in above amount	A more inclusive approach to the teaching of PE lessons with opportunities for all children to achieve and for teachers to understand how to differentiate their approach.	
Researching alternative schemes of work to support the delivery of the PE curriculum	PE coordinator to research various PE schemes to allow an informed decision to be made about which scheme or schemes to be purchased	N/A	real PE resource identified as the scheme of work which best meets the needs of the children	For 2017/18 a decision has been made to use the funding to purchase a new scheme of work in PE and to focus more on whole staff training and support in relation to this as this will have a far more sustainable impact on the quality of teaching and learning in school
