1. Welcome to Rochelle Cohen
2. Potential spends: £8000 up to 1st week back after winter holidays! This term made £700 already. (From Challah sales and donuts)
3. - Good news re challah - Rochelle taking over. Bumper week this week since new system introduced. (Ordering online)
4. NC looking into selling small grape juice bottles sell for £2.00. Will just introduce it as not a perishable.
5. Movie Night - earliest hall available is 5:45pm. SB says school need a conversation with The Zone about when we could have hall straight after school. She and Manjit will check 2 projectors and hall availability. - RC suggested 1st week of term as activities don't usually happen at the zone then. Looking at 1st week after Easter Popcorn - could it be done day before and bagged?
6. **Dates: SB will come back to us with options**

### A) Summer Fair

- Naomi Cohen suggested doing it with LJFS with them running it! Would need things for eldest too eg climbing wall.
- NC suggested bbq as can then make more money.
- RC suggested training session for football. Or Naomi Cohen suggested youth leaders from The Zone.
- Naomi Cohen bring proposal from LJFS PTA as to whether it would work together and what would you offer teenagers and how would it work but for now put a proposed date in for a week after LJFS finish - Thursday 12th July as date.

### 7. Funding Proposals:

- Library - turn to an electronic system. Two different systems:

- 1) Junior Librarian/Reading cloud
  - basic package £2445
  - basic package + training £2790
  - complete package £4390 (x1 training day and x4 cataloguing days)
  - complete package with ebooks £5165

(any package £400 less when bought in January)

Annual fee of £650 (would this be supported by PTA too?)

## 2) Scout Library System

Scout Primary Package which includes: -

- Annual subscription to Scout
- Annual Hosting Service and Setup
- Full Technical Support via Telephone or email.
- 90 mins Live Online Training with a Professional Librarian
- BDZ Cover Images Module - BDS Fast Z-Cataloguing Module
- 1,000 Resource Labels
- 1 USB plug and play Barcode Scanner

The cost for Scout for the first year is around £1000 and £588 from the second year onwards.

Most schools use the junior librarian but the alternative was sent by Leeds Library Service.

- If use junior librarian one could L Haines train others as she has already used this one?
- There is a yearly annual fee of £600 but L Haines would want PTA to pay this yearly. Need clarification of how long the companies want ongoing fee for and could we negotiate.
- NC spoke to her children 1 of which has used it. Think great idea.
- Leigh Haines to possibly show it to others from PTA.
- **NC will follow up with L Haines**

- Year 2 interactive screen

Smart boards out of date and this one broken. New iPad type one £2000. Essential item and no school budget left.

Agreed would fund.

- Playground Equipment all suitable for 6-11 year olds

- A four sided construction highlighted and looks great but needs to be on a base. (Mini play frame) if use woodchip needs replacing yearly. Rubbery surface more expensive.
- Talking about 5/6K £5474 as most expensive options
- Agreed this can be our longer term target funded by the 100 club.

- Grants - could we try get one to top up? But we are not an inner city school so may not get one, but worth investigating. **CT to start process.**
- Reminder to all committee to keep talking to parents about signing up to the 100 club.
- First prize draw will be end of January (currently circa 30 sign ups)
- Try get more to start - Task 2 more each this week!
- NC will work on marketing it to show that we are raising funds for playground equipment
