### 1. Funding/Financial update

Money spent so far this year:

- funded a new interactive whiteboard for key stage 1
- funded the 'Reading Cloud' library system and allocated money for two years continuing support for the library
- additional funding provided to cover a deficit for a new handwriting scheme 'Pen Pals' to help improve handwriting throughout the school
- allocated money towards the Seders for all year groups - costs to be confirmed
- weekly challah for Shabbat (school and nursery)

Current bank balance just under £3500

NC advised large companies have an allocation for charitable donations known as 'match funding'. We need to identify if any parent/carer/family member of a pupil at the school works for any companies that do it. We can then approach them to see if they can speak to the company on our behalf.

100 club. First winners drawn. 30 ticket holders in first month. Can everyone try to encourage more to join so we can build on this.

### 2. Newsletter feedback

NC has produced a newsletter. NS to format.

### 3. Movie night

Two potential dates - either Thursday 24th May or 7th June Will be straight from school to finish at 5.45.

Two movies running for years 1-3 and then for years 4-6.
