Are you considering applying for a School Direct Primary PGCE trainee place for September 2019?

Find out more about training with the Springboard Cluster at our information evening which will be held at Shire Oak Primary School, Wood Lane, Headingley, Leeds, LS6 2DT.

The Springboard Cluster is a wonderfully diverse group of schools in north Leeds with a proven track record in supporting students to their first teaching jobs.

Come and meet members of the Springboard Cluster and Beckett University and ask any questions you might have about training through School Direct and the application process.

Please register your interest by emailing Jane Astrid Devane and Marcelle Maver at springboard@shireoak.leeds.sch.uk
