KNOW WHAT IS DONE AT EACH OF THE 15 STEPS OF THE SEDER

Instructions:

1.
On page 2 you will see 10 of the steps of the Haggadah.
Cut them out carefully and stick them into the correct empty spaces on the other pages.
On each page one of the spaces has been filled in already for you.
You may use your Haggadah to help you with this.
2.
Find the correct page in your Haggadah for each step and write it in the space provided by each picture.
E.g. **Page.....**

<p>We take a vegetable and dip it into salt water to remember the tears מִצְרַיִם shed in יִשְׂרָאֵל. We say the בְּרָכָה of פְּרִי הַבּוֹרֵא פֶּתַח הָאֵדָמָה, and bear in mind that the בְּרָכָה should include the מְדוּרָה as well.</p>	<p>Page 22</p> <p>כִּרְפָּם</p>

3.
Research Task:
Find out what the word Kezayit **כְּזַיִת** means.

We wash our hands for the **מִצָּה**
and make the **בְּרָכָה**
”עַל נְטִילַת יָדַיִם”.

We wash our hands before
dipping the **כַּרְפֵּס** into salt water
the same way we wash our
hands before eating bread. We
do not make the **בְּרָכָה**
עַל נְטִילַת יָדַיִם.

We break the middle of the
three **מִצּוֹת** into two pieces.
The larger piece is put away for
the **אֶפִיקוֹמֶן**, and the smaller
piece is put back.

All three **מִצּוֹת** are lifted, and
the **הַמוֹצֵיא לָהֶם מִן הָאָרֶץ** of **בְּרָכָה**
is said. The bottom **מִצָּה** is
put back and the **בְּרָכָה** of **עַל**
מִצָּה **אֲכִילַת מִצָּה** is said. (A **כְּזִית** of **מִצָּה**
should be eaten while leaning.)

We pour the fourth cup, thank
and sing praises to ה'. We
make a **בּוֹרָא פְּרִי הַגֶּפֶן** and drink
the fourth cup leaning.

We eat the **אֶפִיקוֹמֶן** (a **כְּזִית**).
We are not allowed to eat
anything afterwards besides the
last two cups of wine and
water. It should be eaten while
leaning.

The third cup is poured and we
say **הַמּוֹזֵן בְּרָכָה**. We make a
בּוֹרָא פְּרִי הַגֶּפֶן and drink the
third cup leaning.

We make Kiddush and drink
the first cup of wine leaning.

We take from the bottom **מִצָּה**
(a **כְּזִית**) and **מְרוֹר** (a **כְּזִית**), eat
them in a sandwich while
leaning- ”זָכַר מִקֵּדֶשׁ כְּהִלֵּל” as
בֵּית הַלֵּל did at the time of the
הַמִּקְדֶּשׁ.

We take **מְרוֹר** (a **כְּזִית**), dip it
into **חֲרוּסֶת**, and make a **בְּרָכָה**.
עַל אֲכִילַת מְרוֹר.
