FROM ONE AMAZING YEAR TO ANOTHER

THIS YEAR

The mission of the Link PTA is to make the school a better place for children to learn. We have hosted events and created opportunities to raise funds which support Brodetsky to be the best school it can be.

What an amazing year we've had. We were able to have Weekly challah sales, monthly lotto draws, a movie night, the Purim Katan event, donut sales, pre-loved Chanukah toy sale, Chanukah wish lists, Tu'bishvat plant sale and ice lolly sales.

The money raised allowed us to support school by

- Providing money towards new laptops
- contributing to get mad science school days
- buying book bags for all the new reception children
- Paying for the new book scheme to be introduced in September with all new books
- Paying for a book author visit
- buying new gardening gloves for outdoor learning
- Seder plates for the school Seder
- paying for landscaping work to start in the woodland (to commence shortly)
- New notice boards for next year

DO YOU WANT TO GET INVOLVED?

Remember, everyone is automatically a member of The Link PTA. We're here to raise funds, but also to welcome all Parents/Carers into the school community and to take an active part in co-creating it along with the teachers and school leaders.

Whether you give financially, volunteer a lot, volunteer a little bit, or just share your ideas, you are appreciated.

All support is welcome no matter how big or small.

look out for the sign up sheet in September!

Benefits of PTA Membership

For all Dads, Mums and Carers

IMPACT
Parent fundraising and volunteering ensure Brodetsky has capacity to offer our children an excellent school experience.

FRIENDSHIP
Meet talented people who care about the school and who value helping out. All are welcome - everyone was new at some point.

INSIGHT
Get to know teachers and what's going on in the school.

ROLE-MODEL
Your children observe that you do your bit to help their school. That means a lot to them and it also means they're more likely to grow up and help out in their community.

MENTAL HEALTH
During uncertain times, it feels good to take action and know you're doing something positive. And it's fun!
