

Brodetsky Primary School

Supplementary Information Form

For those applying for entry in September 2025

A parent/carer must complete this form and take or send it to the person referred to in each section. The form should be sent to the school no later than 31.01.2025. If it is not received in time it may not be possible to treat the child as a priority applicant. The School cannot consider an application which does not have the relevant declarations and it is the responsibility of the applicant to approach the relevant person. The relevant person may decline to sign this form where you or the child is not personally known to them and/or cannot vouch for you or the child. To be considered a priority applicant a child will be required to achieve 5 points. If this has been achieved after completing any section, the other sections need not be completed. Please note that the criteria for next year may change again. Please note that information on this form is an addition to that requested by Children's Services, Leeds.
